

Be Part of the New Livestock Pavilion

# Have Your Name Cast in Bronze!

The Nevada County Fairgrounds Foundation is sponsoring the bronze plaque project to help finance construction of a new Livestock Pavilion at the Nevada County Fairgrounds.

By making a donation, you will have your name and/or special message (up to 60 characters) cast in bronze on a plaque that

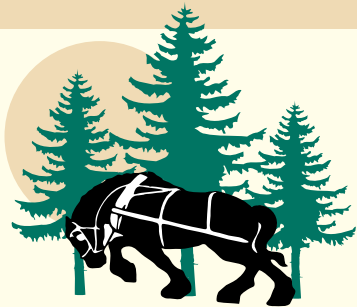

will be permanently placed on the building, recognizing and remembering everyone who made this new multi-purpose pavilion a reality. This is similar to the Gentle Giant Monument project, which allowed that monument to be built at the Fairgrounds' entrance.

The new Livestock Pavilion will house livestock during the Fair, provide a new show

and sale ring for the Junior Livestock Auction, and serve as horse stalls during the Draft Horse Classic.

There are many ways of giving — you may choose a one-time donation or a repeating pledge in several different categories. See the donation and pledge form (on the reverse side) for additional information.
