WELCOME

Be the first one out of the chute and enter your fabulous creations for this year’s Fair. Entries open on June 2nd. Enclosed you will find hundreds of classes from which to choose. There are numerous new still exhibits this year, and even a special still exhibit for you livestock buckaroos called “Salt Lick Art.”

NEEDLE IN A HAYSTACK & COWBOY TRIVIA CONTESTS

See if you can find the hidden needle somewhere inside this competition handbook. Also, check out the Cowboy Trivia Round-Up Contest in the colored portion of this handbook. If you are one of the first 50 people to enter an exhibit and have correct answers for either contest, you will win two tickets to the Thursday, September 18th performance of the Draft Horse Classic.

ENTERING YOUR EXHIBITS

If you enter still exhibits on line there are no Entry Fees! Open livestock entries and non-market junior livestock entries may be entered on-line as well; however, there are Entry Fees for livestock. It is imperative the entry form for all breeding classes be filled out completely. Please visit our website at www.nevadacountyfair.com for more information. If you wish to enter by mail, both youth and senior still exhibits entry forms are located on pages 133-136. They must be received by the Fair Office no later than 1 p.m., July 12th.

The Fair Office mailing address is P. O. Box 2687, Grass Valley, CA 95945. We are located at 11228 McCourtney Road, Grass Valley. Late entries, accepted until July 18th, will be charged the original Entry Fee, plus a $2 per exhibit post-Entry Fee. Postmarks will not be accepted. The deadline for on-line entries will be Friday, July 18 at 5 pm. Deliver your still exhibits to the building in which they will be displayed, and receive your entry tags at that location. You will find the dates listed under “Local Rules” for your particular category. Pages 26 and 27 give an entire listing of all categories, as well.

JUDGING

Judging of exhibits is done by either the Danish or the American judging systems. In the Danish system, each exhibit is judged according to how well it meets a product standard rather than how it compares with other exhibits. In the American judging system, each entry in a class is judged in comparison to other entries in the class. Awards are given according to relative merit with the potential for no more than one first, second, third place per class.

AWARD SYSTEM

There will be a Best of Division award for every “still” division. It will be chosen from entries that receive 1st place in the division. Every Best of Division winner will receive a ribbon. In addition, if a particular division is “sponsored,” the exhibitor will receive either cash, a gift certificate, or a savings bond.

There will be a “sponsored” Proud Tradition Award for selected departments. It will be chosen from all the entries that receive Best of Division in the department. A People’s Choice award will be chosen from entries in selected departments.

PICK UP YOUR EXHIBITS

Please pick up your exhibits on Monday, August 11th. We’re open from 8 am to 6 pm. Premium checks will be available when you pick up your items. Absolute deadline for picking up exhibits is Friday, August 15th.

DRAFT HORSE CLASSIC & HARVEST FAIR

The Draft Horse Classic will be held from September 18th through the 21st. Inquire at the Fair Office regarding entry into the still exhibit competitions.

If you enter an exhibit in the Nevada County Fair, you will receive a ticket to the Thursday, September 18th performance of the Draft Horse Classic. (See page 10).
The exhibit program at our Fair is phenomenal! Every year there are approximately 10,000 entries displayed. The Nevada County Fair truly presents the creative arts of our community, as well as showcasing fabulous agriculture, floriculture, foods, woodworking, wine, photography and the many wonderful animals who inhabit our grounds during the Fair.

Without your dedication and continued support of the exhibit program, the Fair would not be as successful as it is. Therefore, the Fair would like to extend a special thank you to all who exhibit this year at the 2008 Fair. You will be receiving an invitation after the Fair.

So come join us! Enjoy watching the incredible Gentle Giants and witness their talents. You don’t need to be a horse fancier to enjoy it. The show is powerfully entertaining for all.

One of the most important parts of the Nevada County Fair is the Junior Livestock Auction. Through the efforts of the Nevada County Livestock Producers and The Nevada County Agricultural Youth Boosters, young people are given the opportunity to raise an animal for market and sell it for, most often, more than the market price. This experience leaves our Nevada County youth with a positive attitude towards agriculture, which remains with them as they go into the business world. Evidence of this is the FFA and 4-H alumni that are currently very active members of the Livestock Producers and the Ag Boosters. As individuals and business people of Nevada County, you can assist the continuation of this program through your involvement in the 2008 Junior Livestock Auction to be held Sunday, August 10, 2008, at 8 am The Ag Mechanic Auction will be Friday, August 8, 2008 at 5 pm For further information on the Sale, contact the Fair Office at 273-6217.

1. Each entry in these divisions shall have been made, collected or produced by the exhibitor not more than one year prior to opening day of the Fair. Use the Youth & Teens Entry Form.

2. State, local rules and score cards apply to all entries in corresponding Adult Departments and shall be used unless otherwise specified in the Youth & Teens Department.

3. Exhibitors must check carefully for size restrictions and any other “limits” particular to a division.

4. JUDGING:
At every opportunity the value of the blue ribbon should be stressed. The blue ribbon represents, or should represent, the perfection for which the Youth & Teen exhibitors are striving with their projects. The educational and moral value of achieving this perfection should result in a future economic return which will be far greater than the immediate return in the form of cash awards.

A. DANISH JUDGING SYSTEM will be used for exhibitors under 12 years of age in all contests. It is based upon established standards of quality for each type of product. In this system each exhibit is judged according to how well it meets that standard rather than how it compares with other exhibits.

The following guidelines shall be used by the judge(s):

<table>
<thead>
<tr>
<th>Quality</th>
<th>Score</th>
<th>Ribbon</th>
</tr>
</thead>
<tbody>
<tr>
<td>1st Place-Superior</td>
<td>90%-100%</td>
<td>Blue</td>
</tr>
<tr>
<td>2nd Place-Good</td>
<td>80%-89%</td>
<td>Red</td>
</tr>
<tr>
<td>3rd Place-Average</td>
<td>70%-79%</td>
<td>White</td>
</tr>
</tbody>
</table>

B. AMERICAN SYSTEM will be used for exhibitors between the ages of 13-17. Each entry in a class is judged in comparison to the other entries in the class. Entries are placed first, second, third, etc. according to relative merit. There will be no more than one first, second, third, etc. per class.

5. RESPONSIBILITY: Greatest care will be exercised in handling exhibits, but the Fair Association, its staff and department personnel will not be held liable for loss, theft or damage of any kind from any cause. Submission of entry constitutes an agreement to this effect.

6. All entry forms must be signed by a parent or guardian.

SPONSORED BY  
ART & CAROLINE WHITNEY
The Junior Livestock Auction is sponsored and managed by the Nevada County Livestock Producers, assisted by the Nevada County Agricultural Youth Boosters. This is a group of volunteers with special expertise in livestock handling. Their responsibilities include the promotion of the Junior Livestock Auction, disposition of paperwork, coordination of sale and shipping of animals to USDA inspected slaughter plants and the return of carcasses to the buyer’s choice of butchershop.

All fair rules, both state and local, shall also apply to this Sale. Exhibitors can show and sell only one market animal, with the exception of exhibitors participating in a small animal project (poultry or rabbit meat pens). These exhibitors may enter a small animal meat pen and one large animal market class. These exhibitors can only sell one animal project. If the meat pen qualifies as Champion or Reserve Champion, they may not show their large animal in their market class. They will be allowed to show in the large animal showmanship class.

The Junior Livestock Auction is a terminal sale (including small animals). All animals sold at the Junior Livestock Auction, with the exception of small animals, will be sent to federally inspected meat packing plants under the direction of the Nevada County Fair Sale Committee. Small animals may be processed locally. All Supreme Champions, Champions, and Reserve Champions must sell. It is illegal to tamper with ear tags or sale identification.

Exhibitors of market animals are eligible to show and/or sell in only one county’s fair during a calendar year with the exception of the California State Fair, Great Western and Junior Cow Palace. Exhibitor will be required to sign a certification on their entry form stating that they have not sold a market animal at any other county fair with the exception of the Great Western and Cow Palace this year.

An exhibitor must be in the 4th grade or at least nine years of age by January 1st of the current year to sell an animal at the Junior Livestock Auction. For exhibitor age requirements, please refer to the state rules. You must be responsible for the care, grooming and showing of your animal to be eligible to sell your animal at the sale. The exhibitor and animal must be present at the auction and ready to show when it is his or her turn. If an exhibitor is not present and ready when it is his or her turn, Fair management has the right to remove them from the auction.

When the auctioneer says “SOLD” the animal is the property of the buyer. However, the seller is responsible for the providing of feed and water to the animal until it is loaded on the truck as instructed by the Livestock Superintendent and/or Sale Committee.

Eligibility of the animals to sell shall be the decision of the weighmaster and the judge. The sale order shall be made up as the animals are judged, with the supreme champions, champions and reserve champions first. The balance of the sale order is randomly computer generated. The Auctioneer has the final say on all bids.

A commission, of up to 5%, determined by the Nevada County Fair and the Nevada County Livestock Producers, shall be charged to promote and finance the sale. A 2% shrink will be automatically applied to the weight of all market beef, sheep, swine and goats eligible for the auction.

The seller’s checks will be made available on Thursday following the Fair to the FFA and 4-H advisors. All sellers shall write thank-you letters to their respective buyers immediately after the Sale and prior to receipt of their check.

To view the 2008 State Rules, you may visit California Department of Food & Agriculture’s website at www.cdfa.ca.gov/fe. The address is 1010 Hurley Way, Suite 200, Sacramento, California 95825. The telephone number is (916) 263-2955.

### Outstanding Exhibit Award Criteria

All exhibits will be inspected daily and will be scored on the condition and appearance of the animals, condition of the stalls, pens and aisles, neatness and orderliness of the areas used for tack and equipment, and use of decorations and educational displays.

Award plaques will be awarded to the club or chapter whose stalls, animals, walks and adjoining areas are judged to be neatest for the duration of the Fair and whose personal grooming, attitude and behavior has set a good example among the younger exhibitors.

Special Note: Club or Chapter sign must be in clear view or no points will be awarded.

Variance requests must be made in writing to: Nevada County Fair (17th District Agricultural Association) P.O. Box 2687, Grass Valley, CA 95945 or may be delivered to the Administration Office at Gate 1, 11228 McCourtney Road, Grass Valley, CA.

General Rules
1. The Board of Directors of the 17th District Agricultural Association, Nevada County Fair, will be the final authority in any decisions or disputes involving the Fair or the Fairgrounds.
2. Smoking is not permitted in the livestock areas, in any buildings, in spectator seating areas or in the Kiddy Land portion of the carnival. It is incumbent on all livestock exhibitors to assist the Fair personnel in enforcing this rule in the livestock area.
3. No vehicles or trailers will be permitted on the Fairgrounds during the five days of the Fair without a signed permit from the Fair Management.
4. Unless specifically approved in writing by the CEO, there shall be no pets on the inner grounds during the annual Fair, Draft Horse Classic or Country Christmas Faire except for properly identified service dogs, companion dogs, guide dogs, or dogs previously stated in training. Pets in the Pet Sitting Service, when contracted by the 17th District Agricultural Association, are also acceptable. Pets are allowed in the camping and parking areas provided they are on leash.
5. Camping privileges are limited and shall be designated by Fair Management. Livestock exhibitor camping is limited to those exhibitors who have a need to stay on the grounds for the duration of the Fair. No Junior livestock exhibitor shall be allowed to stay on the Fairgrounds without a chaperone. There must be at least one chaperone for every three youths camping. Sign up opens 6/2/08.
6. Livestock trailers must be removed from the Fairgrounds the day of unloading the animals. Exceptions are for those exhibitors who are open exhibitors or are showing breeding animals.

Where there is no competition (i.e. no entries or one entry) for two years or more, the Fair Management may remove the class from the Competition Handbook unless there is a good reason for not doing so. By the same token, if there are assurances that there will be sufficient competition for a class not already in the book or for one that has been previously deleted, Fair management may add them to the Competition Handbook. Such requests must be made in writing to the above address.
14. Should a premium be found to have been obtained by false evidence, misrepresentation or a violation of any of the State or Local Rules, the premium award will be withheld.

16. Exhibitors, excluding livestock, are required to remove all labels, signs or trace of ownership from any exhibit before being presented for judging, with the exception of the exhibit tag which will be given to the exhibitor at the time of submitting exhibit.
17. No “For Sale” signs are to be posted at or near any exhibit for the duration of the Fair. This rule applies to both still and livestock exhibits.

18. Any failure by an exhibitor to keep an exhibit fresh, clean and attractive or which is not in the best interest of the Fair, or endangers the public, or fails to comply with the rules and regulations set forth in this Competition Handbook, result in forfeiture of any premiums which may have been won by that exhibitor and possibly the immediate removal of the entry in question from the Fairgrounds.
