

# The Buyers of 2008

---

One of the most important parts of the Nevada County Fair is the Junior Livestock Auction. Through the efforts of the Nevada County Livestock Producers and The Nevada County Agricultural Youth Boosters, young people are given the opportunity to raise an animal for market and sell it for, most often, more than the market price. This experience leaves our Nevada County youth with a positive attitude towards agriculture, which remains with them as they go into the business world. Evidence of this is the FFA and 4-H alumni that are currently very active members of the Livestock Producers and the Ag Boosters. As individuals and business people of Nevada County, you can assist the continuation of this program through your involvement in the 2009 Junior Livestock Auction to be held Sunday, August 16, 2009, at 8 am. The Ag Mechanic Auction will be Friday, August 14, 2009 at 5 pm. For further information on the Sale, contact the Fair Office at 273-6217.
